

THE WESTPARK

Dear Patron,

Warm greetings to you and your family!

We hope this message finds you and your family in good health and high spirits.

It brings us great pleasure to share that The Westpark is steadily taking shape, with every detail coming together to create a thoughtfully designed vibrant community for you and your loved ones.

As part of our continued progress, we are pleased to inform you that work up to the ground floor level (Plinth Slab) along with all four Basements (B1, B2, B3 and B4) of Tower 3 is completed. This marks another important step forward, and our teams remain committed to maintaining the highest standards of quality while progressing in line with planned timelines.

We truly value the trust you have placed in us and look forward to sharing more milestones with you as your future home continues to evolve.

Warm regards,

The Westpark Team
